

Court Boice

**Family Man, Business Man, River Outfitter;
Common Sense, Practical, Solid Old-Fashioned Values.
A Servant with Non-Compromising Honesty and Loyalty**

Court enjoys encouraging and mentoring family men of all ages. In spending much of his adult life living in the beautiful Rogue River Wilderness (including raising his family between there and Gold Beach) he practiced daily - sound environmental policies, good health, the efficient use of all resources, and faced the challenges of being very isolated which required daily improvisation. Court understands the "service industry" because he lived it. He has a broad background in working with various regulatory agencies, at all governmental levels....

Court was born in Gold Beach and has been a Central Point resident since 2005. He has Oregon roots going back to the 1800's. His Grandfather Allen Boice, Sr. was a County Commissioner for one term and was then elected and served as Curry County Judge for 12 years - serving throughout the 30's and 40's. Court's father, Allen Boice Jr. was a Marine and later became a famous Oregon Lawman who served as a three-term Curry County Sheriff in the 60's and 70's. Court's mother Meryl is still a practicing Registered Nurse of 57 years. He is close to his two younger sisters, Julie Marstall and Peggie Botielho....

Court is very proud of his three sons; two born in Gold Beach and one born here in Medford.

- Justin (36) Family man, Business man, Football Coach, former River Racer throughout the (90's)
- Brandon (33) Family man, Oregon State Police Detective, Football Coach, former O.S.U. "Beaver" linebacker (95-99)
